2015 INSTRUCTIONAL CLASS

Farrell Equipment is committed to providing the latest high-quality professional supplies and tools. Plus, we back it up with on-going training. Be sure to keep up with the latest processes and techniques. Please join us for this free informational class designed for you, the construction professional.

Jobsite Safety: "Dangers of Silica Dust on the Worksite"

CLASS IS FREE!

Starts at 9:00am in the Food Tent

Occupational exposure to crystalline silica often occurs as part of common workplace operations involving cutting, sawing, drilling, and crushing of concrete, brick, block, rock, and stone products. Learn about controlling exposure to this hazardous material. Worth 1 OSHA continuing education credit.
